

100%  
ORGANISCH - ORGANIC - ORGANIQUE - ORGANICO

**ORGANIC** is a 100% sustainable collection that has been created to contribute to the preservation of our planet.

It is made with ecological materials: the packaging created with recycled cardboard reduces CO2 emissions into the atmosphere, and some personal hygiene products such as the toothbrush, the razor and the comb are made of PSM material, a material of vegetable origin.

**ORGANIC**, has been carefully created and manufactured according to the regulations and values that guide us today.
